

## **Export of foodstuff of plant origin to Vietnam**

India has been approved as a country for export of foodstuff of plant origin into Vietnam by National Agro-Forestry-Fisheries Quality Assurance Department (NAFIQAD), Ministry of Agriculture and Rural Development, Vietnam from 04.04.2012. Export Inspection Council (EIC), the Competent Authority shall follow the procedures for quality and safety control of notified commodities (food stuff of plant origin) as per their respective schemes whereas the procedures for quality and safety control of non notified commodities (food stuff of plant origin) shall be as per Document No. EIC/Vol. Food Certification Scheme/2007/Issue 3 on Voluntary Certification Scheme, for export to Vietnam.

Exporters may like to contact the concerned Export Inspection Agency for further details in the matter
