TBT Notifications

Monthly Report

June 2017

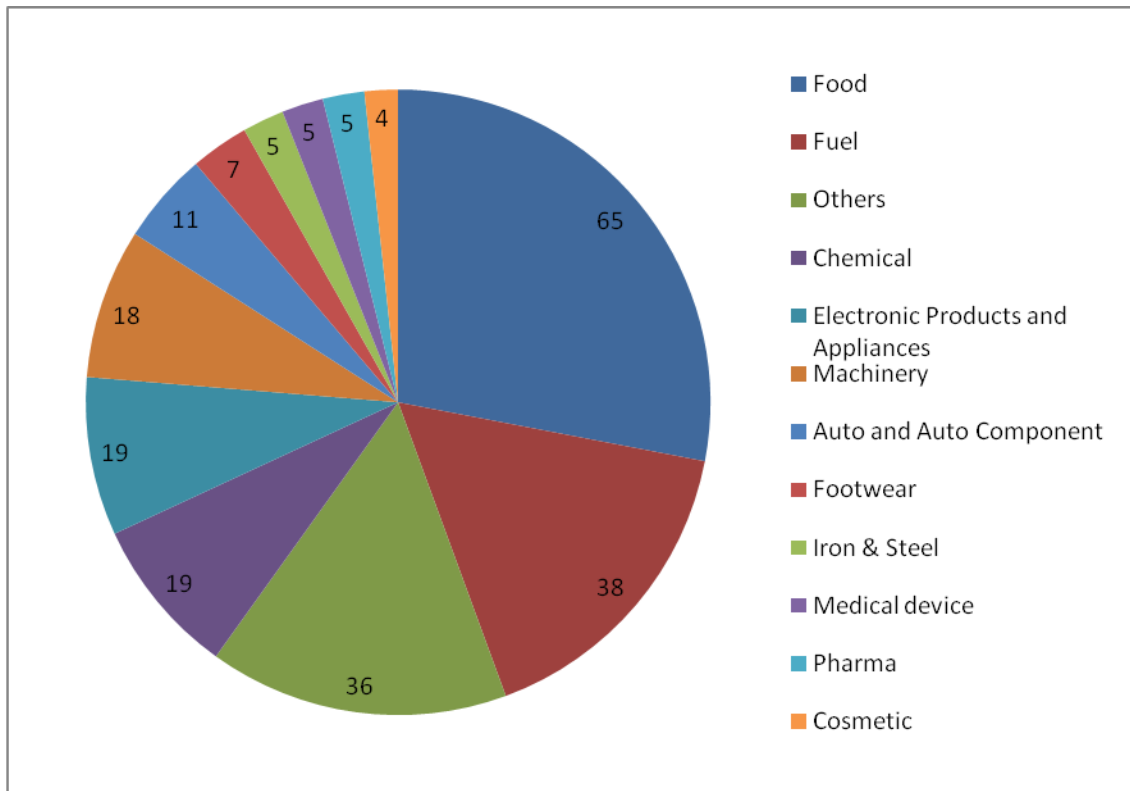

TBT MONTHLY REPORT (JUNE 2017): AT A GLANCE

Details Pertaining to TBT Notifications Issued By WTO Member Countries

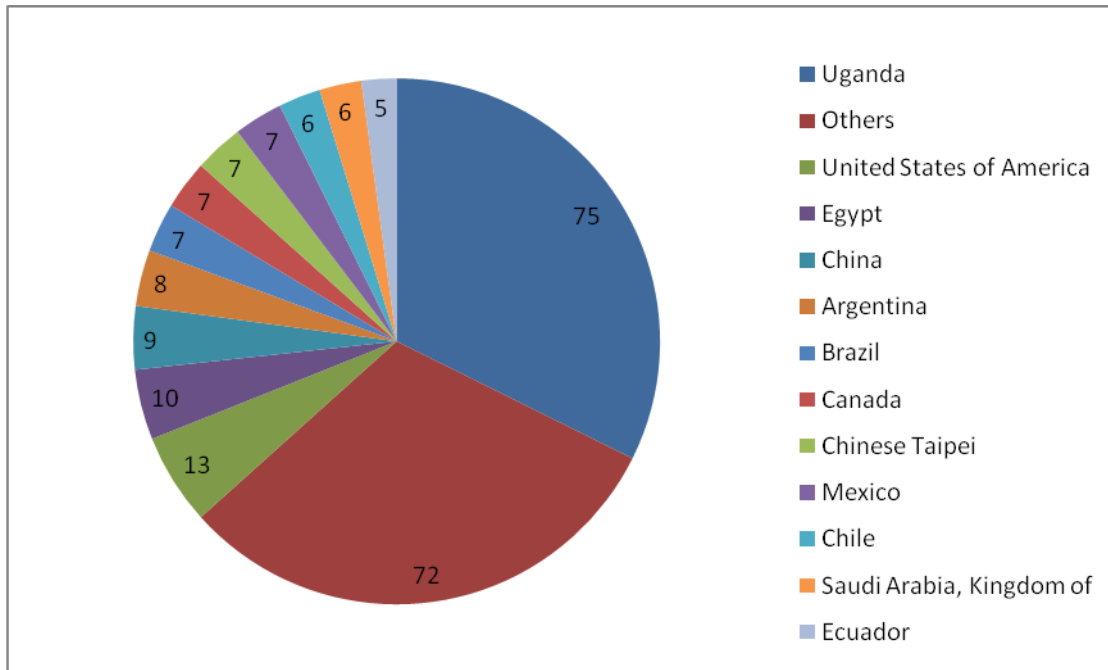

The total numbers of TBT Notifications issued by the various WTO-Member Countries in June 2017 were 232. Out of 232 notifications, 117 notifications were the addendum of draft regulations notified earlier in the WTO.

Details Pertaining to TBT Notifications Relevant To India

Product-wise Information: Out of the total 232 Notifications, 65 related to food, 38 related to fuel, 15 related to chemical, 19 were related to chemical products, 19 related to electronic Products and Appliances, 18 related to machinery, 11 related to auto and auto component, 7 related to footwear, 5 related to iron & steel, 5 related to medical device, 5 related to pharmaceutical products, 4 related to cosmetics and 36 notifications were related to other products.

Country-wise Information: Out of the total 232 notifications, Uganda issued 75 notifications, followed by United States of America, Egypt, China, Argentina, Brazil, Chinese Taipei, Mexico, Chile, Saudi Arabia and Ecuador with 13, 10, 9, 8, 7, 7, 7, 7, 6, 6 and 5 Notifications, respectively. The remaining 72 Notifications were from other WTO Member countries.

ANALYSIS OF TBT NOTIFICATIONS

The monthly report is divided into two sections.

A. Section A: Request For Regulation

In case of certain notifications, the member countries have not provided the regulation associated to the respective notification. In other cases, certain member countries have provided the regulations in their local language only but not in English. In these cases, a request has forwarded to the concerned enquiry points seeking the regulations in English so that these can be analyzed on time.

B. Section B: TBT Notifications Relevant to India

This section covers details of notifications which are relevant to India and where a letter has forwarded to all relevant and interested stakeholders seeking their comments on the notification. Stakeholders include individual exporters, organizations, associations and government departments representing the product mentioned in these notifications.

A. Section A: Request For Regulation

In June 2017, there were 177 notifications where the notifying countries either have not provided any regulation or provided the regulation in their local language. We have sent requests to the concerned enquiry points seeking the regulation preferably in English. Despite of regular follow-up the member countries have not responded/provided the regulations (in English) and their responses are still awaited. However, letters have been forwarded to the relevant stakeholders based on the information available on the TBT notifications. Please find Section B for more details of these 177 notifications.

Section B: TBT Notifications Relevant to India

In June 2017, there were 232 notifications issued by WTO member countries which were relevant to India. Letters have already been sent to their respective stakeholders; however, the responses from the stakeholders are awaited. We are regularly following up on these notifications. Out of these 232 notifications issued in June 2017, in case of 19 notifications (highlighted yellow) responses may be sent, if comments are received from stakeholders. Further, in case of 14 notifications (highlighted in red), either India has already submitted responses or India may respond without seeking comments from stakeholders. Please find below the details of these notifications:

195	G/TBT/N/UGA/669/A dd.1	27/06/2017	Uganda	Organic Liquids.	<p>The Ugandan authorities have adopted these 28 regulations which were issued in 2017. These regulations are either in line with ISO, IEC, ASTM or EN norms. The Ugandan authorities have adopted these regulations in order to attract investments from countries into Uganda to build a manufacturing base to export into other countries.</p> <p>ASL mentioned that stakeholders have not commented on these standards. However, it was decided at the meeting, these information need to be sent to relevant stakeholders.</p>
