CORRIGENDUM NO. 3, DATED 13/10/2011 FOR TENDER NO EIC/T-189/2011/01

Section 5: Scope of Work

1. Replace last line of Clause 4.3.1.1
    The Bidder must ensure that the product / product families proposed for this application are trusted and robust enough to handle all the business requirements of EIC. The Bidder must furnish details of sample projects where each of the proposed product / product family has been implemented successfully and justify the Bidder's capability of handling these products.

2. Appendix 5.4, Table 5, Point 3 has been amended as follows:

Concurrency of external users (customers) at EIC	Currently, the concurrency is ~1,500 external users, which will increase at a rate of ~35% per year
