

EXPORT INSPECTION COUNCIL  
(Ministry of Commerce & Industry, Govt. of India), New Delhi  
Designated laboratories for testing of RMP samples for 2011-12 for export to EU

At present, laboratories mentioned against the products, as given below, are designated for testing of RMP samples in the year 2011-12 for export to EU with the instructions hereunder:

Products	Scope	Testing laboratory
Egg products	The parameters under the RMP	Sargam Laboratory Private Limited, Chennai
Honey	As NRL	Indian Institute of Integrative Medicine (IIM), Jammu
	The parameters under the RMP	1) GEO-CHEM Laboratories (P) Limited, Mumbai
		2) Arbro Pharmaceuticals Limited, Delhi
		3) Delhi Test House, Delhi
Fresh poultry meat and poultry meat products	The parameters under the RMP	TA Labs Private Limited, Chennai
Milk products	Parameters with valid scope of approval (presently for nitrofurans metabolites and Chloramphenicol and subsequently for other parameters under the RMP after validation and approval for the scope)	1) PTH, Export Inspection Agency-Mumbai
	The parameters under the RMP	2) GEO-CHEM Laboratories (P) Limited, Mumbai

Note:

- Wherever there are two or more designated laboratories, having valid scope of approval for testing of the specific parameters, EIA shall get the sample tested in these laboratories on rotation basis.
- In case, none of the designated laboratory has the valid scope of approval for testing particular substance, sometimes newly considered/introduced substance(s) under the RMP, EIA shall request the lab to test the parameter by other validated method; however EIA shall request the lab to validate the method of analysis as per EU requirements, at the earliest, preferably within a month's period and get approved from EIC.
- EIAs shall draw the samples as per the monthly plan preferably in the first fortnight of the every month and completed the sampling by 15th March 2012. EIAs shall submit a monthly status report of the sampling against the EIA's monthly plan and cumulative plan for the year 2011-12 on last working day of the month.
- EIAs shall adhere to the instructions.
