- 10.2 Price quoted for equipment must include all incidental costs associated with packing, transportation, insurance, all duties and levies, delivery of equipment to the laboratory at Kolkata including its installation (IQ/OQ/PQ), commissioning, integration and validation.
- 10.3 In case of equipments originating in other countries, prices shall be quoted both on FOB (port of shipment) and CIF (Kolkata) basis.
- 10.4 Price of Annual Maintenance Contract for three (3) years after the warranty period shall be quoted separately for each equipment. Purchase reserves the right to negotiate on AMC.
- 10.5 Prices quoted by the Bidder shall be firm during the validity of the bid.

11. Bid Currency

- 11.1 Prices of indigenous equipments / items shall be quoted in Indian Rupees.
- 11.2 Prices of equipments / items originating in other countries shall be quoted either in US Dollars or in Indian Rupees.

12. Conformity of the Tender Document

- 12.1 The Bidder shall furnish, as part of its bid, documents establishing the conformity of the Equipment that the Bidder proposes to supply under the Contract to the requirements of the Purchaser, as given in the Tender Document.
- 12.2 The documentary evidence of conformity of the Equipment to the Tender Document may be in the form of written descriptions supported by literature / diagrams / certifications, including:
 - (a) A detailed description of the essential technical, functional and performance characteristics of the Equipment that the Bidder is proposing to supply;
 - (b) Technical details of the major subsystems / components of the Equipment;

13. Bid Security

- 13.1 The Bidder shall furnish, as part of its bid, a bid security that shall be interest free and of the amount stipulated in the tender document.
- 13.2 The bid security shall be in the form of a demand draft / pay order drawn in favour of "Export Inspection Agency - Kolkata" and payable at Kolkata.
- 13.3 Any bid not accompanied with the prescribed bid security shall be rejected by the Purchaser as non-responsive.
- 13.4 The bid security of the Bidders will be returned as promptly as possible, but not later than fifteen (15) days after the successful Bidder has furnished the required performance security.
- 13.5 The bid security may be forfeited:
 - (a) If a Bidder:
 - (i) withdraws its bid during the period of bid validity specified on the Bid Form or
 - (b) In the case of the successful Bidder, if the Bidder fails to:
 - (i) sign the Contract or
 - (ii) furnish performance security.

14. Period of Validity of Bids

14.1 Bids shall remain valid for the period mentioned in the tender document after the date of deadline for submission of bids prescribed by the Purchaser.

15. Deadline for Submission of Bids

15.1 Bids must be received by the Purchaser at the address specified not later than the time and date as stated. In case this date happens to be a declared holiday for the office of the Purchaser, Bids shall be received up to the appointed time on the next working day.

15.2 The Purchaser may, at its discretion, extend this deadline for submission of bids in which case all rights of the Purchaser and all obligations of the Bidders will thereafter be subject to the deadline as extended.

16. Late Bids

16.1 Any bid received by the Purchaser after the bid submission deadline prescribed by the Purchaser, shall be rejected and returned unopened to the Bidder.

17. Modification and Withdrawal of Bids

17.1 The Bidder may modify or withdraw its bid after submission, provided that written notice of the modification or withdrawal is received by the Purchaser prior to the deadline prescribed for bid submission.

17.2 The Bidder's modifications shall be prepared, sealed, marked, and dispatched as follows:

(a) The Bidders shall provide the modification to its bid, clearly identified as such, in an envelope duly marked "BID MODIFICATION".

17.3 A Bidder wishing to withdraw its bid shall notify the Purchaser in writing prior to the deadline prescribed for bid submission. The withdrawal notice shall:

(a) be addressed to the Purchaser at the address, and

(b) bear the reference number and the title of the project, and the words "BID WITHDRAWAL NOTICE". Bid withdrawal notices received after the bid submission deadline will be ignored, and the submitted bid will be deemed to be a validly submitted bid.

17.4 No Bid may be modified subsequent to the deadline for submission of Bids

17.5 No bid may be withdrawn in the interval between the bid submission deadline and the expiration of the bid validity period. Withdrawal of a bid during this interval may result in the forfeiture of the Bidder's bid security.

18. Opening and Examination of Bids

18.1 The Technical bids will be opened on the prescribed date and time as mentioned in the Bid document. Bidders or their representative may present during the opening of technical bid if they wishes to be present.

18.2 The purchaser will evaluate the technical bids. Those bids, whose technical bids fulfill the technical requirements and responsive to the tender requirements will be considered. Those bids which found to be either non responsive, not satisfying the technical requirements or both will not be considered and will be rejected.

- 18.3 The Price bids of the successful bidders on the basis of evaluation as mentioned at 18.2 will be considered for opening of price / commercial bid. Date and time of opening of price / commercial bid will be intimated to the successful bidders.
- 18.4 The Purchaser will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required security has been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- 18.5 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, *the unit or subtotal price shall prevail*, and the total price shall be corrected. If there is a discrepancy between words and figures, *the amount in words shall prevail*. If a Bidder does not accept the correction of errors, its bid will be rejected and its bid security may be forfeited.
- 18.6 The Purchaser may waive any minor nonconformity, or irregularity in a bid that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.
- 18.7 Prior to the detailed evaluation, the Purchaser will determine whether each bid is complete, and is substantially responsive to the Tender Document. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the Tender Document without material deviations, exceptions, objections, conditionality or reservations. A material deviation, exception, objection, conditionality, or reservation is:
- (a) one that limits in any substantial way the scope, quality, or performance of the Equipment; or
 - (b) one that limits, in any substantial way that is inconsistent with the Tender Document, the Purchaser's rights or the successful Bidder's obligations under the Contract; and
 - (c) one that the acceptance of which would unfairly affect the competitive position of other Bidders who have submitted substantially responsive bids.
- 18.8 If a bid is not substantially responsive, it shall be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the nonconformity. The Purchaser's determination of bid responsiveness will be based on the contents of the bid itself and any written clarifications submitted by the Bidder.

19. Clarification of Bids

- 19.1 During the bid evaluation, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the price or substance of the bid shall be sought, offered, or permitted.

20. Evaluation of Responsive Bids

- 20.1 The Purchaser will evaluate the bids that have been determined to be substantially responsive.

21. Contacting the Purchaser

- 21.1 From the time of bid opening to the time of Contract award, if any Bidder wishes to contact the Purchaser on any matter related to the bid, it shall do so in writing.
- 21.2 If a Bidder tries to directly influence the Purchaser or otherwise interfere in the bid evaluation process and the Contract award decision, its bid shall be rejected.

22. Award Criteria

- 22.1 Purchaser will award the Contract to the Bidder whose bid has been determined to be substantially responsive and the Lowest Evaluated Bid.

23. Purchaser's Right to Accept / Reject / Modify Bids

- 23.1 The Purchaser reserves the right to accept or reject any bid or to annul the bidding process and reject all bids at any time prior to Contract award, without thereby incurring any liability to the Bidders.
- 23.2 The Purchaser reserves the right to negotiate with the Bidder having the Lowest Evaluated Bid, in terms of the technical configuration proposed by the Bidder.

24. Award of Purchase Order

- 24.1 Prior to the expiration of the period of bid validity, the Purchaser will issue the Purchase Order to the successful Bidder in writing.
- 24.2 The Purchase Order will constitute the foundation of the Contract.
- 24.3 Upon the successful Bidder's furnishing of the copy of the Purchase Order duly signed on each page and the performance security, for the equipments ordered in foreign currency, the Purchaser will open a letter of credit (LC) at the State Bank of India or any other convenient Indian Scheduled Bank. For opening of LC necessary arrangements shall be made by the supplier or its authorized agents.

25. Contract Agreement

- 25.1 No more than fifteen (15) days following receipt of the Purchase Order, the successful Bidder shall sign and date its copy on each page and return it to the Purchaser, along with the Performance Security.
- 25.2 Copy of Purchase Order duly signed and dated by the successful Bidder on each page shall constitute the Contract Agreement.

26. Performance Security

- 26.1 Not more than fifteen (15) days following receipt of notification of award from the Purchaser, the successful Bidder shall furnish the performance security for the amount specified. This security will be valid for sixty (60) days after the date of completion of warranty period.
- 26.2 The security shall be in one of the following forms:
- (a) A bank guarantee (in the format as provided in form 3 of the bidding documents) issued by a Indian Scheduled bank acceptable to the Purchaser
 - (b) A Demand Draft / Bankers Cheque drawn in favour of Export Inspection Agency - Kolkata, payable at Kolkata.
- 26.3 The security shall automatically become null and void once all the obligations of the Supplier under the Contract have been fulfilled, including, but not limited to, any obligations during the Warranty Period and any extensions to the period. The

security shall be returned to the Supplier not later than fifteen (15) days after its expiration.

- 26.4 Failure of the successful Bidder to comply with the requirements shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the Purchaser may make the award to the next lowest evaluated bid submitted by a qualified Bidder or call for new bids.

27. Contract Documents

- 27.1 All documents forming part of the Contract (and all parts of these documents) are intended to be correlative, complementary, and mutually explanatory. The Contract shall be read as a whole.

- 27.2 The order of precedence of the Contract documents will be as follows:

- (i) Contract Agreement
- (ii) All other Forms
- (iii) Equipments and their Requirements
- (iv) Supplier's Bid
- (v) Tender Document

28. Amendment to Contract

- 28.1 No amendment or other variation of the Contract shall be effective unless it is in writing, is dated, expressly refers to the Contract, and is signed by a duly authorized representative of each party to the Contract.

29. Supplier's Responsibilities

- 29.1 The Supplier's obligations involve
- Supply of Equipment / items given in Tender Document,

- 31.3 For equipments ordered in foreign currency, opening of LC, Payment of Customs Duty and clearance of goods at Kolkata port shall be arranged by the supplier or its authorized Indian agent. The custom duty as applicable will only be paid by the purchaser.
- 31.4 Payment for annual maintenance contract after the warranty period shall be released at the end of six month /year.
- 31.5 If any time before the delivery of the equipments, it is found that the same equipments have been offered to another party in India at a lower rate, payment shall be restricted to the extent and the Supplier shall be liable to pay the Purchaser the difference in two rates.

32. Taxes and Duties

32.1 Unless specifically mentioned in the Bid and provided in the Contract, the Supplier shall bear and pay all taxes, duties, levies, and charges assessed on the Supplier by all municipal, state, or national government authorities, in connection with the Goods and Services supplied under the Contract.

33. Product Upgrades

33.1 The Supplier shall continue to support and maintain the version / model of the Equipment supplied by upgrading the software and the hardware as and when amendments are carried out in the existing version or the product is upgraded. Whereas upgrades to the software shall be supplied free of cost, the Supplier may charge for upgrade in hardware provided it is of major nature.

34. Penalties

34.1 If the Supplier fails to complete any of the activities in accordance with the time specified for it, or any extension of the time granted by the Purchaser, the Supplier shall pay to the Purchaser penalties at the rate specified Tender document.

34.2 The Purchaser reserves the right to terminate the contract if the Supplier defaults on any of the time limits by more than four (4) weeks.

35. Defect Liability

35.1 The Supplier warrants that the Equipment, including all subassemblies and components provided, shall be free from defects in the design, engineering / manufacturing, workmanship and performance that prevent the Equipment and /or any of its subassemblies and components from fulfilling the Equipment Requirements or that limit in a material fashion the operation, reliability, accuracy, sensitivity and precision of the Equipment, its subassemblies and components. Commercial warranty provisions of products supplied under the Contract shall apply to the extent that they do not conflict with the provisions of this Contract.

35.2 The Warranty Period shall commence from the date of validation of the Equipment and shall extend for the length of time specified in the tender document.

35.3 If during the Warranty Period any defect found in the Equipment, the Supplier shall promptly, at its sole cost, repair or otherwise make good such defect as well as any damage to the Equipment caused by such defect. Any defective Equipment, Subassembly or component that has been replaced by the Supplier shall remain the property of the Supplier.

35.4 Validation of the Equipment shall be carried out by the Supplier each time a major repair is carried out in the Equipment during the warranty period.

35.5 Response time for attending to defects shall be 24 - 48 hours after they are reported to the Supplier or its designated service agent. If the Equipment cannot be used for more than 2 days by reason of such defect and /or making good of such defect, the Warranty Period for the Equipment shall be extended by a period equal to the period during which the Equipment could not be used by the Purchaser because of such defect and /or making good of such defect.

36. Intellectual Property Rights Warranty and Indemnity

- 36.1 The Supplier hereby represents and warrants that the Equipment as supplied, installed & commissioned along with its Application Software and copying of Manuals & other documents provided to the Purchaser in accordance with the Contract does not and will not infringe any Intellectual Property Rights held by any third party.
- 36.2 The Supplier shall indemnify and hold harmless the Purchaser from and against any and all losses, liabilities, and costs (including losses, liabilities, and costs incurred in defending a claim alleging such a liability), that the Purchaser may suffer as a result of any infringement or alleged infringement of any Intellectual Property Rights.

37. Effect of Force Majeure

- 37.1 If the Supplier is prevented, hindered, or delayed from or in performing any of its obligations under the Contract by an event of Force Majeure, then it shall notify the Purchaser in writing of the occurrence of such event and the circumstances of the event of Force Majeure within fifteen (15) days after the occurrence of such event.
- 37.2 The Supplier, when affected by the event of Force Majeure shall use reasonable efforts to mitigate the effect of the event of Force Majeure upon its performance of the Contract and to fulfill its obligations under the Contract, but without prejudice to Purchaser's right to terminate the Contract.
- 37.3 No delay or non-performance by the Supplier caused by the occurrence of any event of Force Majeure shall:
- (a) constitute a default or breach of the Contract;
 - (b) give rise to any claim for damages or additional cost or expense occasioned by the delay or non-performance.
- 37.4 If the performance of the Contract is substantially prevented, hindered, or delayed for a single period of more than thirty (30) days or an aggregate period of more than sixty (60) days on account of one or more events of Force Majeure, the Purchaser shall have the right to terminate the Contract by giving a notice to the Supplier.

38. Extension of Time Limits for supply & making operational the Equipment

- 38.1 The time limit for supply, installation & commissioning, integration & validation shall be extended if the Supplier is delayed or impeded in the performance of any of its obligations under the Contract by reason of any of the following
- (a) Any occurrence of Force Majeure;
 - (b) Any other matter specifically mentioned in the Contract;
- by such period as shall be fair and reasonable in all the circumstances and as shall fairly reflect the delay or impediment sustained by the Supplier.
