

Results of technical evaluation of the tender no. EIC/D (Q/C)/T-193/2009-2010/IT-FMS

The following seven parties had submitted their tender bids against tender no. EIC/D (Q/C)/T-193/2009-2010/IT-FMS.

1. M/s CMC Limited,
2. M/s UTI Technology
3. M/s HCL Info system Ltd.
4. M/s iGate
5. M/s PCS Technology
6. M/s Accel Frontline
7. M/s Glodyne

As per the criteria set out in the tender document, the following three companies have successfully qualified in the technical evaluation:-

1. M/s CMC Limited,
2. M/s UTI Technology
3. M/s HCL Info system Ltd.

The M/s PCS Technology has made appeal to the Competent Authority to re-examine the address of their Chennai location as there was a typographical error in this address (instead of 97, 37 was typed) due to which there was wrong feedback from EIA-Chennai. This was the only reason for their technical disqualification as per the tender requirement, and the same was placed before the committee.

The committee constituted for the purpose, examined the request made by M/s PCS Technology and based on the proof of address submitted, found that the submission of M/s PCS is genuine and decided to consider M/s PCS as qualified in their technical bid. This exercise was done in the presence of the representatives of the companies who had already been declared as technically qualified and did not raise any objection.

Subsequently, the financial bids of all the four technically qualified companies in presence their representatives were opened on the scheduled date.
