

**Listing India as one of the approved countries on the official website of Administration of Quality Supervision, Inspection and Quarantine, People's Republic of China for export of Marine Products to P.R. China**

Export Inspection Council of India had taken up the issue of regularizing the export of marine products with Administration of Quality Supervision, Inspection and Quarantine, People's Republic of China (AQSIQ).

After several exchanges of communication with EIO Beijing / AQSIQ, the list of countries approved to export marine food products to China has been updated as on May 31, 2012 and been uploaded on AQSIQ website.

**India** has been now included in the approved list of countries and regions whose inspection and quarantine certificates have been accepted by State General Administration of Quality Supervision, Inspection and Quarantine (AQSIQ).

To have the smooth flow of export of marine products from India to P.R. China exporters are advised to obtain the inspection and quarantine certification, with immediate effect, in the agreed format by India and P.R. China
